

The Gospel for All Ages

Annual Evaluation

Introduction

This annual evaluation for your parish's *The Gospel for All Ages* program consists of two simple forms. The first form is for distribution to all the participating households. The second form is for the catechetical team. We have kept the forms very, very simple.

All of us at Pflaum Publishing Group and Good Ground Press treasure your feedback. Let us know how the periodicals have helped you with parish-wide catechesis. We would also love to learn more about the ways you use the strategies in *The Gospel for All Ages*. You may e-mail your comments to gfaa@pflaum.com. We want to hear your suggestions for improving *The Gospel for All Ages* and your thoughts on how we might be of greater service to you and to your catechetical program.

Although the evaluation forms on the following pages are intended primarily for use within your parish, if you'd like to share them with us, you can mail copies to:

The Gospel for All Ages

Name: _____

Use this form as a personal worksheet. This evaluation works best if it is done in a group session with all team members present. Examine each element of the program for strengths, weaknesses, and suggestions for improvement. Keep track of all the discussions and compile the results in a form that best communicates the results to the pastoral team and to the participants. This evaluation should be done after the evaluations from the participating households have been collected. Use the space at the bottom of the form for personal reactions.
